

EXPLORE

Still need merit badges, but are looking for something more? This entry level high adventure program is offered morning or afternoon and still allows youth to earn merit badges back in camp if they are in the afternoon session. Busing to and from the Welcome Center is provided. Youth will be back before the next meal starts.

Activities:

Paintball Course

Throwing Stars and Knives

Blow Guns

Aqua Rig

High Ropes

Mountain Biking

Mountain Boarding

Sporting Arrows

Age Requirement:

Completed 7th grade OR 13 years old.

When: Sunday-Thursday 2 p.m.-5 p.m. or Monday-Friday 9 a.m.-12 p.m.

STEM NOVA

Science, Technology, Engineering, and Mathematics are active in all parts of life, even camping. Scouts in the STEM NOVA program at Tomahawk will get to explore camp in a whole new way, while earning a new nationally recognized Boy Scout advancement. They'll do research and science experiments while exploring camp environment.

What Do You Earn: You can earn

the Whoosh! and Shoot! Boy Scout NOVA Awards along with the Nuclear Science and Robotics merit badges.

Where: Welcome Center

How Do Scouts Get There: Meet at bus stop after lunch to ride the bus up

When: 2pm-5pm, Sunday - Thursday

Age Requirement:

Completed 7th grade OR 13 years old.

News Team

Scouts are reporting the news during camp at Tomahawk! Live radio broadcasts, photo journalism, publishing articles, and touring the local paper are just a few of the opportunities that await if you join the news team. Troops have the option to bring a FM/AM radio to camp to tune into the WTSR Radio Station for news, music, and program updates.

What Do You Earn: Radio, Journalism, Moviemaking, and Photography merit badges.

Where: Welcome Center
