TOMAHAWK

I think we all had a good time at Tomahawk this summer. This was my first time at Tomahawk and I thought it was a fine scout camp. They had many enjoyable activities like, horseback riding, sailing, and other fun things to do. The scouts enjoyed the activities and hard work.

One of the things the scouts really accomplished was advancement. I think about everyone left Tomahawk with some sort of advancement. I hope all of our stays at Tomahawk run as smooth as this years trip and already I am looking forward to next years trip.
